

LE BOIS D'IMBERT **** HOTEL HEALTH PROTOCOL

Your safety and that of our employees being particularly important to us, we have already implemented the appropriate sanitary measures. Here are the essentials *:

WELCOME HALL AND COMMON AREAS

- Hydroalcoholic gel terminals available.
- Repeated disinfection of common areas.
- Removal of luggage.
- Pets must stay in the rooms dedicated to them.
- Installation of a traffic direction.

RECEPTION

- Installation of a protective screen.
- Marking on the ground ensuring respect for physical distance.
- Disinfection of the electronic payment terminal after each use.
- Upon departure, deposit room access cards in a box provided for this purpose for disinfection.

ROOMS

- Total disinfection of the rooms between each occupant and according to current standards.
- Arrivals at 4 p.m. and departure at 11 a.m. imperative to ensure the disinfection time.
- Recovers only on express request.
- Selection of rooms dedicated to people accompanied by a pet.

RESTAURANT*

- Breakfast served at the table with menu displayed on fixed panels.
- Reorganization of the breakfast area in order to apply the distance rules.
- Lunch and dinner: 3-course menu of the day available for take-out with containers adapted to health rules.
- Our outdoor terraces will be laid out respecting safety distances.
- Disinfection of the electronic payment terminal after each use.

BAR*

- Installation of a protective screen.
- Drink menu displayed on fixed panels.
- Service in the lounge areas or outdoor terraces fitted out within safe distances.
- Disinfection of the electronic payment terminal after each use.
- Repeated disinfection of beverage machines, surfaces and bar areas.

*** The rules mentioned may change depending on the government measures to be applied.**
